SEE HUNGER:30 **HOUR
FAMINE**

World Vision 

When a kid is hungry every day, they're
distracted from achieving, dreaming, LIVING.

\$25

– can help families grow healthy vegetables. Tasty greens for everyone!

(that's only a week's worth of lattes!)

\$50

– can help provide families with two hens and a rooster. That's like 150 eggs a year!

(that's popcorn and a movie for two!)

\$75

– can help provide lunches to school kids for a whole year!

(that's around two weeks of take-out lunches!)

Join the Global Movement and do your Famine on April 25/26
