

## Please Support our 30 Hour Famine Event

Students at your school are taking a stand against child hunger by doing the 30 Hour Famine. Your support will help this event be successful. Help change lives and fight global injustice!

Dear

Last year, thousands of Canadian youth chose to take part in World Vision Canada's 30 Hour Famine. They took a stand against hunger, poverty and injustice. This year, students at your school have decided to take part in the 30 Hour Famine and raise funds for projects .

I am writing to ask for your support during the Famine event. It provides excellent leadership training for your students, and they can earn volunteer hours. What's more, it gives your school the opportunity to be a leader in the fight against global injustice.

In order to help your students hold a successful Famine event, please consider giving participants permission to use their class time during the 30 Hour Famine. You might also consider allowing them to use school facilities, such as the PA system, AV equipment, gymnasium, and school grounds before and during the Famine event.

If you have any questions about the 30 Hour Famine or World Vision Canada, please contact 1-888-8Famine or visit [www.famine.ca](http://www.famine.ca).

Thank you for your support.

Sincerely,

Lon Wong
